Celebrating our heritage & life experiences!

Rutledge Home Assisted Living opened in April 2007 as a licensed community based residential facility. In order to better serve our current resident population and fulfill a growing need in Chippewa County, in March 2008 we expanded our services to include Memory Care. It is our intent to follow dementia care best practices. We will focus our efforts on the basics of good dementia care as recommended by the Alzheimer's Association Campaign for Quality Residential Care.

5 KEY FOCUS AREAS:

- Food & Fluid Consumption
- Pain Management
- Social Engagement
- Wandering
- Fall Prevention
